**ONE DAY WORKSHOP  
ON  
e -Content Development**

Date: 12 January, 2019

Venue: Computer Lab (3<sup>rd</sup> floor)

**Report**

A one-day workshop on “e - Content Development program” was organized by Institute of Science, Poona, Swami Vivekanand College of Education, Wakad, Pune - 57 on 12<sup>th</sup> January 2019 at 10:00am. The main objective of the Workshop was to create an information rich society. e-content design, development and approach will depend upon the nature of the content and the learners. Investment in teacher training programmes to keep them updated on futuristic trends will impact classroom learning, to familiarize participants with the emerging ideas and trends on how to develop e- content in the 21<sup>st</sup> century contexts. The e-content are divided into different modules. The modules include e-text, PPT and animation, Audio and Visual lectures. The electronic experiments are explained with an effective animation. Dr. Vaibhav Jadhav was the subject-expert who is Professor in Department of Education & Extension, SPPU, Pune, who enlightened the session with his great activities. Second session was conducted by Prof. Mahesh Mali, Teaching Associate (FDC) in SPPU. The workshop adopted the processes of demonstration-cum-discussion, presentation/lecture-cum-discussion, group work, group presentation etc. The participants received hands-on experience in developing their own e-content as guided by the subject experts. The workshop started with an inaugural session and was inaugurated by Dr. Bhagyashree Dudhade, Principal SVCE who graced the occasion as a guest of honour. Anchoring was done by students, Shweta Bapat, Samiya Ahsan, Akriti Shrivastav and Rachana Gandhi, who introduced and raised the programme with its aim. The introduction of both the Speakers was done by Prof. Swati Dharmadhikari and Prof. Deepika Rani, respectively. Both the subject Speakers were very keen to the topic and its importance. Vote of thanks was proposed by Prof. Arti Shivnikar.
